

## Springfield-Clark CTC Teacher Camp

Teacher Camp is designed for teachers from grades 5-12 to provide resources and strategies for teaching career-based, STEM-based, and project-based learning activities. Teachers will attend student summer camp sessions that they choose to get resources and see career and STEM in action. On the second day, teachers will get career resources of their own to take with them for their classrooms. Questions? Contact Dr. Pam Noeth at [PamelaNoeth@SCCTC.org](mailto:PamelaNoeth@SCCTC.org)
